From the duty chains I wore so long
One of these days well I'm a gonna run away
I'll leave her alone when love has gone away

I'm a gonna travel far and fast and light

I'm gonna pack my broken heart and leave her far behind
One of these days I'm a gonna run away
I've got a date with a freight and I'll make my getaway

She's a gonna wake up and find ol' dog gone
Yeah one of these days well I'm a gonna run away
I'm gonna break my leash and make my getaway

I'm a gonna travel far and fast and light...
Oh one of these days I'm a gonna run away
One of these days
