Say Wynonie, I was by your house last night and guess what happened?

What happened, mon?

Your grandma was playing the numbers!

Well you just find that out?

Well what do you know, hmm?

(We found out) Yes we did!

(We found out) Now we know!

(We found out) We found out that grandma plays the numbers.

(We found out) Yes we did!

(We found out) She couldn't keep it hid!

(We found out) Now we know that grandma plays the numbers.

Thinks about 'em everyday, dreams about 'em every-night.

Gets up early in the morning, see all of 'em numbers come down just right.

(We found out) Yes we know!

(We found out) Bless her soul!

(We found out) Now we know that grandma plays the numbers.

(We found out) Yes we know!

(We found out) Bless her soul!

(We found out) Now we know that grandma plays the numbers.

(We found out) Yes, oh yes!

(We found out) We found out!

(We found out) Now we know that grandma plays the numbers.

She's at the fruit stand everyday, buys bananas by the bunch.

She looked at all the price tags, that's where she gets her hunch.

(We found out) Yes we know!

(We found out) Bless her soul!

(We found out) Now we know that grandma plays the numbers.

Hey grandma, did you get your numbers in yet?

Well, I 'spect I did son!

Well, what did you play?

3, 6, 9!

Well, what do you know?
