

# Wynonna Judd, Dance! Shout!

You told me that you wanted somebody to talk to  
You told me that you needed a friend  
You told me that you wanted somebody to stay with you  
Somebody to stick with you to the end

So let me introduce you to someone who knows you  
He knew you before you got your name  
He closer than a brother more than your father  
And all you got to do is call His name

Dance! Shout!  
Come on everybody lets turn His praises out  
Dance! Shout!  
Come on everybody it all worked out

It all so very simple! It all so very plain!  
You don need nobody to explain!  
When you believe in your heart that Jesus is Lord  
You will know for yourself that youe been born again!

When we get to glory we will tell the story  
Of how we lived in this world below  
My soul will look back and wonder  
How I made it over  
But when I see His face that when I will know
