

# Wynonna Judd, Heaven Help My Heart

Two smilin' faces, that's how it used to be  
What once was forever is now a faded memory  
The perfect illusion  
For a while I guess it was  
Without explanation  
The bloom fell off the rose

[Chorus]

Heaven help my heart  
'Cause it's a lot like me  
I'm wonderin' when this all will end  
And I'll find the love I need  
I know it's out there somewhere  
Somehow I still believe  
I'm asking please  
Heaven help my heart  
This world can get crazy  
These are troubled times  
I'd walk through the fire  
If love is what I'd find  
It's out of my hands now  
So I put my faith in you  
And I say a little prayer  
And hope that it comes true

[Repeat Chorus]
