

# Wynonna Judd, I Can't Wait To Meet You

I tried to live without you  
What a misery it turned out to be  
Sorry for the time I doubted you  
Can't seem to get nowhere 'less you're next to me  
And everyday I wonder what it would be like  
Just to see the one who's always by my side  
Lookin' out for you and i

(chorus)

I do my best to do right, got to get to the way up high  
Oh, my lord I can't wait to meet you  
Love the life I'm livin' though  
I'm looking forward to the day I fly  
I can't wait to meet you

So glad to have a love that's true  
And I wanna thank you now  
For seeing me through  
I'll never be the fool to go astray

Gonna stick with you always  
And everyday I wonder what it would be like  
Just to see the one who's always by my side  
Lookin' out for you and i

(repeat chorus)

I'll never be enough to give what you give me  
But I can sing my heart out for you and tell everybody  
All that he asks of us is only to believe  
Disappear your low, low, lows  
And your woe, woe, woes  
Just like that, it's a natural fact  
I can't wait 'til he comes back

(repeat chorus three times)

Oh my lord, I can't wait to meet you  
Oh my lord, I can't wait to meet you
