

Wynonna Judd, No One Else On Earth (Club Mix)

I've been a rock and I've got my fences
I never let them down
When it comes to love, I keep my senses
I don't get kicked around
I shivered once you broke into my soul
The damage is done now I'm out of control
How did you get to me?

[Chorus]

No one else on earth could ever hurt me
Break my heart the way you do
No one else on earth was ever worth it
No one can love me like
No one can love me like you
You can make me want you any time you want to
You're burnin' me alive
I can't deny you even when I catch you
Weavin' a weak alibi
'Cause when the night falls you make me forget
Your love is killing me and it ain't over yet
How did you get to me?

[Repeat Chorus]

I shivered once you broke into my soul
The damage is done now I'm out of control
How did you get to me?

[Repeat Chorus Twice]
