

Wynonna Judd, Winter Wonderland

Sleigh bells ring, are you listening
In the lane, now is glistening
A beautiful sight
We're happy tonight
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song
As we go along
Walking in a winter wonderland

In the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say are you married
We'll say no man
But you can do the job
While you're in town
Later on, we'll conspire
As we dream by the fire
To face unafraid
The plans that we made
Walking in a winter wonderland

Over the ground lies a mantle of white
A heaven of diamonds shine down through the night
Who hearts are thrilling in spite of the chilling weather

Love knows no season, love know no clime
Romance can blossom any old time
Here in the open we're walkin' and hopin'
Together, together, together, together

Sleigh bells ring, are you listening
In the lane, now is glistening
A beautiful sight
We're happy tonight
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song
As we go along
Walking in a winter wonderland

In the meadow we can build a snowman
And pretend that he's a circus clown
We'll have lots of fun with mister snowman
Until the other kiddies knock him down

When it snows, ain't it thrilling
Though your nose get a chilling
We'll frolic and play, the Eskimo way
Walking in a winter wonderland
Walking in a winter wonderland
Walking in a winter wonderland

Sleigh bells ring are you listening
In the lane, snow is glistening
