

# Wynonna Judd, Woman To Woman

Hmmmmmmm

If you think you got your man, in the palm of your hand  
You better listen hmmmmm  
And if you think you got it made and his love will never fade  
You better listen

Oh she's out there too  
And she's a whole lot better lookin' than me and you  
And she can do things to a man, you never dreamed a woman could do

If you think you'll keep your man with a golden wedding band  
You better listen hmmmmm  
And if your sittin' there at home thinkin' how good you turn him on  
(chuckle) You better listen

She's sweet when she talks  
And she bouces all over when she walks  
And she's forgot more about a man than your sweet mama ever told you

I'm talkin' to you Woman to Woman  
Heart to heart  
I'm singin' straight to you  
Hmmmmm

Just woman to woman  
Right from my heart  
And you can take it or leave it  
Ahhh but it's true  
Woman to woman  
Me to you

(repeat)
