

Wynonna Judd, You Were Loved

We all want to make our place in this world;
We all want our voices to be heard.
Everyone wants a chance to be someone;
We all have dreams we need to dream,
But sweeter than any star you can reach
Is when you reach and find you've found someone.
You'll hold this world's most priceless thing,
The greatest gift this life can bring,
If you can look back and know
You were loved.

You were loved by someone,
Touched by someone,
Held by someone,
Meant something to someone,
Loved somebody,
Touched somebody's heart along the way.
You can look back and say,
You were loved.

You can have diamonds in your hand,
Have all the riches in the land,
Without love do you really have a thing.
When someone cares that you're alive,
When someone finds their world in your eyes,
Then you'll know you've found all you need.
You'll hold this world's most priceless prize,
The sweetest treasure in this life,
If you can look back and know
You were loved.

So many roads that you can take,
Whatever way you go,
Don't take that road alone.
Better you know....

You were loved by someone,
Touched by someone,
Held by someone,
Meant something to someone,
Loved somebody,
Touched somebody's heart along the way.
You can look back and say,
You did OK
You were loved.

So remember to tell that one,
You are loved.
