

X Ambassadors, Hoping

Falling in this great divine
The Earth, it splits
And my feet on both sides
My faith is shaky

I got to keep on hoping
Keep on hoping /3x
When it all feels broken
Got to keep your hope alive

Falling in this great divine
The Earth, it splits
And my feet on both sides
And I swear the world's going crazy

I got to keep on hoping
Keep on hoping /3x
When it all feels broken
Got to keep your hope alive

Coz the war won't wage itself
It's time we trip the scales
With the weight of the World on our selves now
And I've been wrong a 1000 times or more
But I keep on letting on

Keep on hoping /4x

I got to keep on hoping
Keep on hoping /3x
When it all feels broken
Got to keep your hope alive
I got to keep on hoping
Keep on hoping /3x
When it all feels broken

You know O;ll stick around
Keep on hoping
