

X Ambassadors, JOYFUL

doctor's notes

that I can't decide
If I stay here much longer
surely will die
lived a life full of vice
passion and crime
can't say I'm perfect, but I certainly tired

to be joyful
joyful
joyful and happy
sunny and bright
to be joyful
joyful
joyful and happy
just being alive

no one left
no one except my demons and I
no one to forgive me
I'm running out of time
and it's up to me to try and meet my fate with a smile
and it might sound silly
but I still will try

to be joyful
joyful
joyful and happy
sunny and bright
to be joyful
joyful
joyful and happy
just being alive

joyful
joyful

to be joyful
joyful
joyful and happy
sunny and bright
to be joyful
joyful
joyful and happy
just being alive
