

# X-ecutioners, It's Going Down

(feat. Mike Shinoba (Linkin Park))

[Intro]

I knew I was being threatened  
Do you think it's worth holding out'  
I mean I've heard some pretty ugly things about those guys  
Ugly stories

[electric guitar starts]

&quot;Watch them flee.. watch them flee&quot; [scratches]  
&quot;Rap up&quot; [scratches]  
&quot;Watch them flee&quot; [scratches]  
&quot;Hip-Hop hits&quot; [scratches]  
&quot;And you do it like this&quot;

[Mike Shinoba]

[Verse 1]

It's going down  
The rhythm projects 'round the next sound  
Reflects the complex hybrid dialect now  
Detect the mesh of many elements compressed down  
The melting pot of a super-futureesque style  
The combination of a vocal caress  
With lungs that gasp for breath  
From emotional stress  
With special effects  
And a distorted collage  
Carefully lodged between beats of rhythmic barrage

[Pre-Chorus x2]

It's going down  
The logical progression on a the timeline  
The separation narrowed down to a fine line  
To blur the edges so they blend together properly  
Take you on an audible odyssey  
Now it's going down

[Chorus x2]

&quot;Put put.. put it up&quot; [scratches]  
&quot;I said it goes like this&quot; [scratches]  
&quot;And you do it like this&quot; [scratches]  
It's going down

[Mike Shinoba]

[Verse 2]

Once again it is  
Composed sentences all together venomous  
The four elements of natural force  
Projected daily through the sound of the source  
Everybody on board with this blend  
The sword with the pen  
The mightiest is the weapons  
Swinging right from the chin  
The elevate of mental states  
Long gone with the wind  
To defend men for shoddy imitation pretends  
It's going down  
Stalence emulation readily  
Trekking through the weaponry  
Of the pure pedigree  
Cleverly seeing through whatever is ahead of me  
Whatever the weather be  
We invent the steadily  
It's going down to sub-terrestrial high

I rhyme regiment that's calling the shots  
Execution of collaborative plots  
Ready to bring the separation of style to a stop

[Pre-Chorus]  
It's going down  
The logical progression on a the timeline  
The separation narrowed down to a fine line  
To blur the edges so they blend together properly  
Take you on an audible odyssey  
Now it's going down

[Chorus x2]  
&quot;Put put.. put it up&quot; [scratches]  
&quot;I said it goes like this&quot; [scratches]  
&quot;And you do it like this&quot; [scratches]  
It's going down

[X-Ecutioners]  
&quot;X-men 'bout to blast of world wide&quot; [scratches]  
Yo it's request only [scratches]  
&quot;X-men 'bout to blast of world wide&quot; [scratches]  
It's built from scratch  
Album in stores soon  
&quot;'Bout to blast off world wide&quot; [scratches]  
&quot;And you do it like this&quot;

It's going down

[Chorus x2]  
&quot;Put put.. put it up&quot; [scratches]  
&quot;I said it goes like this&quot; [scratches]  
&quot;And you do it like this&quot; [scratches]  
It's going down

Like this...
