

# X Japan, Blue Blood

My face is covered with blood  
There's nothing but pain  
oitsumerareta keraku ni  
I can't tell where I'm going to  
I'm running, all confused  
shinimono-gurui de  
Then I see you standing there  
Can do nothing but run away  
oikakete kuru genkaku ni  
Look out ! I'm raving mad  
you can't stop my sadness  
kirikizanda yume wa kyouki ni nagareru  
(I'll slice my face covered with blue blood)  
(Give me some more pain)  
(Give me the throes of death)  
namida ni tokeru aoi chi o yokubou ni kaete  
umarekawatta sugata o yosootte mite mo  
kodoku ni obieru kokoro wa ima mo

(Give me the throes of death)
