

# X Japan, Stab me in the back (new version)

I'm having sex,  
wishing for six,  
I'm having sex,  
touch me, make me feel.  
Knock me out Mary,  
get me of Jane,  
knock me off, Mary,  
pet me violently.  
Can't you give me more, to the last.  
I can't get enough, take me down.  
I'm on junk, I'm getting high,  
I'm on junk, let me go mad.  
Kiss me off, vamp,  
get away, tramp,  
kiss me off, vamp,  
leave me, why don't you,  
Can't you give me more,  
do or die,  
I can't be satisfied.  
I can't take this life,  
stab me in the back,  
I can't take my life,  
stab me in the back.  
Wipe out my life  
(Bask in blood)  
dripping from your heart.  
Destroy this world  
(Drive me mad)  
don't need nothing in my life.  
Wipe out my life  
(Bask in blood)  
dripping from your heart.  
Destroy this world  
(Drive me mad)  
o.d. on sex.  
I'm having sex,  
wishing for sex,  
I'm having sex,  
touch me, make me feel.  
Can't you give me more,  
do or die,  
I can't be satisfied.  
Wipe out my life
