

# X!NK, Broken promise

I'll do it, I'll come  
That's what you always said before  
Now I know you don't care about me  
every time I trust you!  
You will let me down  
If you promise that's a lie  
I hate a broken promise  
Excuse a waste of time  
I hate broken promise  
You let me down and that's a crime  
You don't care about me  
Guess you have better things to do  
Apologies are all I get  
Do I believe them? Yeah, you bet!  
I'm disappointed to you!  
fuck you!! (-for you!!-)  
I hate a broken promise  
Excuse a waste of time  
I hate broken promise  
You let me down and that's a crime  
There you are with your stories  
Your excuses are so lame  
Fake, trust is broken now!  
fake, trust, is you!!  
I hate broken promise  
Excuse a waste of time  
I hate broken promise  
You let me down and that's a crime, a crime, a crime, a crime...  
fuck you!!
