

X!NK, Just me

You can say what you want,
But I don't want what you say
You can tell me I'm a loser
I don't care anyway
I can't change the way I am
I was born like that
And I don't really give a damn!
I'm just me
Won't change my personality
I am 15
I am Just me, just me...
Fight for the freedom
To be what you want
You must do it with words
You must make a stand
I won't be the person you want me to be
I am not a loser so set me free!
I'm just me
Won't change my personality
I am 15
I am Just me, just me...
I'm just me... can't change my personality
I'm 15.. I'm just me
I'm just me ... Can't change my personality
I am 15...(x2)just me!!
I'm just me
Won't change my personality
I am 15
I am Just me, just me...just me
Rock!
