

X-PERIENCE, A neverending dream

I'm waiting for the night
drifting away
on the waves of my dreams to another day
Im standing on the hill
and beyond the clouds
the wind is blowing still
and eatching my doubts

Refr.:

A neverending dream
a dream of you
I believe, I receive
a sign of you
Tonight I wanna hide
my feelings too
as you do
and I wanna be with you
I'm hunting all the night
the slave to my dream
an illustrated seene
aseends in the steam
Were playing full of vice
emotional games
Im turning of my eyes
and hiding my shame

Refr.

Im watching all the flowers
dying away
in heated breath of life
at the dawning day
Im waking up in spring
and kissing your face
a sweet and burning thing
I feel your embrace

Refr. (2 mal)

I believe, I receive a sign of you
As you do and I wanna be with you
