

# X-PERIENCE, Island of dreams

Here is my  
innocence  
Island of dreams  
Back to the simple roots  
Back to extremes  
Live, live your life  
You, you have to leave or to survive  
If you feel weak - don't give up  
Don't, don't give up  
Here is my innocence  
Island of dreams  
Back to the simple roots  
Back to extremes  
Island of dreams  
Island of dreams  
Don't get me wrong  
We are growing up and getting string  
If you feel weak - don't give up  
Don't, don't give up  
Here is my innocence  
Island of dreams  
Back to the simple roots  
Back to extremes  
Island of dreams  
Island of dreams  
Island of dreams  
Island of dreams
