

X-PERIENCE, Keep the faith

Mother mother tell your children
That their time has just begun
I have suffered for my anger
There are wars that cant be won
Father father please believe me
I am laying down my guns
I am broken like an arrow
Forgive me
Forgive your wayward son
Everybody needs somebody to love
Everybody needs somebody to hate
Everybody's bitching cause they cant get enough
And its hard to hold on
When theres no one to lean on
Faith: You know youre gonna live through the rain
Lord you got to keep the faith
Faith: Dont let your love turn to hate
Right now we got to keep the faith
Keep the faith, keep the faith,
Lord we got to keep the faith
Tell me baby when I hurt you
Do you keep it all inside
Do you tell me alls forgiven
And just hide behind your pride
Everybody needs somebody to love
Everybody needs somebody to hate
Everybody's bleeding cause the times are tough
Well, its hard to be strong
When theres no one to dream on
Faith: You now youre gonna live through the rain
Lord you got to keep the faith
Faith: Now you know its not too late
Right now we got to keep the faith
Faith: Dont let youre love turn to hate
Right now we got to keep the faith
Faith, keep the faith
