

X-Ray Spex, I Can't Do Anything

I can't write and I can't sing, I can't do anything
I can't read and I can't spell, I can't even get to hell
I can't love and I can't hate, I can't even hesitate
I can't dance and I can't walk, I can't even try to talk

Freddy tried to strangle me with my plastic popper beads
But I hit him back, with my pet rat
Yeah I hit him back, with my pet rat

I can't spit and I can't kick, I can't even be thick
I can't read and I can't spell, I can't even get to hell
I can't love and I can't hate, I can't even hesitate
I can't dance and I can't walk, I can't even try to talk

Freddy tried to strangle me with my plastic popper beads
But I hit him back, with my pet rat
Yeah I hit him back, with my pet rat
Yeah I hit him back, with my pet rat
Yeah I hit him back, with my pet rat
