

# Xandee, No Puedo

Tropical as the morning breeze  
a mi me encanta  
he brings the world of the seven seas  
a mi me encanta  
magical islands and fantasy  
buscando Antonio  
that's where I was meant to be  
buscando Antonio  
My dear Antonio, gave you my heart  
promise me you'll wait for me  
you're everywhere, I long to be  
No puedo, no puedo, est'amor perdido ya  
no puedo, no puedo, marry him tonight  
no puedo, no puedo, est'amor perdido ya  
no puedo, no puedo, be with him tonight, hey!  
How can I promise amor, amor?  
a mi me engana  
when he's not the one I was chosen for  
a mi me engana  
my papa said he's teh man for you  
te acompaña  
my mama said he will marry you  
te acompaña  
My dear Antonio, gave you my heart  
promise me you'll wait for me  
you're everywhere, I long to be  
No puedo, no puedo, est'amor perdido ya  
no puedo, no puedo, marry him tonight  
no puedo, no puedo, est'amor perdido ya  
no puedo, no puedo, be with him tonight, hey!  
Over the mountains, across the sea  
under the silence off trees  
all in my feelings, into my heart  
that's where antonio will be  
No puedo, no puedo, est'amor perdido ya  
no puedo, no puedo, marry him tonight  
no puedo, no puedo, est'amor perdido ya  
no puedo, no puedo, be with him tonight, hey!
