

Xandria, Forever Yours

It feels like keeping and holding a star in the sky
Born to be born again with you
The days of thunder cry their goodbye
And for the first time I know what to do

I just keep on being one with you

Forever yours, forever yours
I'm here to stay
Cause in your arms, in your arms
I feel so safe

Forever yours, forever yours
I'm here to stay
Cause in your arms, in your arms
I feel so safe

Loving and fighting the mirror I need
Dearest I'm down on the ground
Waiting to see whereto the storm leads
It's my blood that bleeds from your wounds

Dearest you're all that I need

Forever yours, forever yours
I'm here to stay
Cause in your arms, in your arms
I feel so safe

Forever yours, forever yours
I'm here to stay
Cause in your arms, in your arms
I feel so safe

And when I kiss you
Your lips are the only food I need
Your fingertips open
Spaces that make me complete

Dearest you're all that I need

Forever yours, forever yours
I'm here to stay
Cause in your arms, in your arms
I feel so safe

Forever yours, forever yours
I'm here to stay
Cause in your arms, in your arms
I feel so safe

Forever

Loving - fighting
Holding - losing
Giving - taking

Wanting forever you
