

# Xandria, Forever Yours

It feels like keeping and holding a star in the sky  
Born to be born again with you  
The days of thunder cry their goodbye  
And for the first time I know what to do

I just keep on being one with you

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so safe

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so safe

Loving and fighting the mirror I need  
Dearest I'm down on the ground  
Waiting to see whereto the storm leads  
It's my blood that bleeds from your wounds

Dearest you're all that I need

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so safe

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so safe

And when I kiss you  
Your lips are the only food I need  
Your fingertips open  
Spaces that make me complete

Dearest you're all that I need

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so safe

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so safe

Forever

Loving - fighting  
Holding - losing  
Giving - taking

Wanting forever you
