

Xandria, Isis and Osiris

I am birth - I am death
I'm an elusive symbol
For eternal come and go
For come and go
I have come - I have gone
I have shown you moira
And her restless re-creation
Your own re-creation
Never, no never the day will go down on me
Within knowing him by my side
Sothis, o sothis, don't pass me again
Before I know how to heal
Who is shattered by the forces of the night
