

Xandria, Isis/Osiris

I am birth - I am death
Just an elusive symbol
For eternal come and go
For come and go

Never, no never the day will go down on me
Within knowing him by my side
Sothis, o Sothis, don't pass me again
Before I know how to heal
Who is shattered by the forces of the night

I have come - I have gone
I have shown you Moira
And her restless recreation
Your own recreation

Never, no never the day will go down on me
Within knowing him by my side
Sothis, o Sothis, don't pass me again
Before I know how to heal
Who is shattered by the forces of the night
