## Xandria, Isis/Osiris

I am birth - I am death Just an elusive symbol For eternal come and go For come and go

Never, no never the day will go down on me Within knowing him by my side Sothis, o Sothis, don't pass me again Before I know how to heal Who is shattered by the forces of the night

I have come - I have gone I have shown you Moira And her restless recreation Your own recreation

Never, no never the day will go down on me Within knowing him by my side Sothis, o Sothis, don't pass me again Before I know how to heal Who is shattered by the forces of the night
