

Xandria, Sisters Of The Light

Follow me through the night
We are sisters of the light

Follow me through the night
We are sisters of the light
We are daughters of sin
We are laughter in the wind
Follow me through the night
We are sisters of the light
We are wild, we are free
Through the darkness, follow me

I
Am here
To break the silence
And
Find one true
To be the voice of mine

Follow me
Follow me
Follow me
Now

Follow me through the night
We are sisters of the light
We are daughters of sin
We are laughter in the wind
Follow me through the night
We are sisters of the light
We are wild, we are free
Through the darkness, follow me

You
Alone
You can let time still stolen
You
Create
The missing hell of mine

There are fires of hell
With the deep of sea
With the storm we had
We are we
With the ashes of time
And we are the tree
Through the darkness, sisters
Follow me

Follow me
Follow me
Follow me
Now

Follow me through the night
We are sisters of the light
We are daughters of sin
We are laughter in the wind
Follow me through the night
We are sisters of the light
We are wild, we are free
Through the darkness, follow me

Sisters

Of the light
Sisters
Of the light

Follow me through the night
We are sisters of the light
We are daughters of sin
We are laughter in the wind
Follow me through the night
We are sisters of the light
We are wild, we are free
Through the darkness, follow me

We are sisters of the light
