

Xavier Rudd, Things Meant To Be

You can find things meant to be
If you look hard into the sea
As the waves land on the beach
I feel her eyes fixed on me
Through the wind in the trees

Mother nature she speaks
Take what she says
Let your heart do the rest

It's in the wind
It's in the trees
It's in the way you smile
At me
It's in the waves up from the sea
It's in the way you feel
When you're pleased
It's all meant to be
It's all meant to be

Your heart knows where to go
But your mind can take it slow
It's okay to rest your mind
Let your heart seek and find

It's in the wind
It's in the trees
Listen hard and you
Will see
It's in the waves up from the sea
It's in the way you feel
When you're pleased
It's all meant to be
It's all meant to be
These are things just meant to be
These are things like you and me

It's all meant to be
It's all meant to be

These are things just meant to be
These are things like you and me
Mother nature sings and breathes
