

# Xiu Xiu, Apistat Commander

up, along the rocks,  
it's good, it's not so hard now.  
up, I bite my tongue, who cares?  
this chance to drop off  
all that you left you left for someone all of this hurt that's wilted off  
all this relief, it's the oddest thing  
oh my God, oh my God, oh my God.

I lost my thought  
Wei, Huai could talk me down  
still, still this chance to drop off
