

Xiu Xiu, Buzz Saw

Daniella, don't say be tender first
And don't say teach me
Before you get tied up for your first time
I'm not like that
I'm not so good you will want too
Your black hair is like black hair
Mine I promise is a jerk's hair
Your acne is like a pearl
Mine I swear is a brimstone
I'm not like that
How is it you thought I might be?
