

# Xiu Xiu, Xiu Xiu - Bunny Gamer

It feels retarded  
I wonder if you like me  
Will you be there tonight?  
Do you mean it when you say what you say?  
Fixing up my hair  
I want to impress you  
Today and everyday  
Okay, okay okay  
Okay,  
So what do you want?  
I want to be careless too  
So much waiting  
So much sitting alone  
When you say what you say  
It's not what I thought  
It's really nothing at all

I'm not who you want  
Alright, alright alright?  
Alright  
Bunny game stand up  
Bunny gamer  
Where have you been all of my life?  
Bunny gamer take me with you  
Okay, okay okay  
Okay  
Bunny gamer sit down  
Bunny gamer  
Where have you been all night?  
Bunny gamer leave me alone  
Alright alright, alright  
Alright
