

XIX, Kismet

Here-here is the future, future, future
I dress like I'm in jet set (God damn)
Knock a pussy out just like a bed set (Sheesh)
I feel like a gg with my headset
Death is your kismet (Right)
I dress like I'm in jet set (God damn)
Knock a pussy out just like a bed set (Sheesh)
I feel like a gg with my headset
Death is your kismet (Right)
Carrots up on carrots
Up on diamonds, that's appeal shit
Scaring all your parents
When the mic switch on, I kill shit
They see my guitar amps
Babygirl know that's my kill switch
They see all my followers
Like baby, that's a hit list
Heard you bought a white tee
I'ma turn that shit to red
I be poppin white teeth
That shit put my ass to bed
Oh yeah he don't like me
'Cause I fucked his wifey
Yeah she wanna ride me
Oh I think she like me
Molly rocks in my green tea
XIX is the dream team
Be silent when I'm speaking
I'm the shit, I'm the faeces
I dress like I'm in jet set (God damn)
Knock a pussy out just like a bed set (Sheesh)
I feel like a gg with my headset
Death is your kismet (Right)
I dress like I'm in jet set (God damn)
Knock a pussy out just like a bed set (Sheesh)
I feel like a gg with my headset
Death is your kismet
Two bad bitches and they kissin' on my dick
MMD in a zip and I got it for the zip
You talking bout molly huh

Now she riding my dick like a harley
Hahaha y'all think it's funny

I dress like I'm in jet set (God damn)
Knock a pussy out just like a bed set (Sheesh)
I feel like a gg with my headset
Death is your kismet (Right)
I dress like I'm in jet set (God damn)
Knock a pussy out just like a bed set (Sheesh)
I feel like a gg with my headset
Death is your kismet (Right)
