

Xspace, Tonight

come a little bit closer
and look into my eyes
if only for a moment
boy don't be suprised
I want you right here next to me
so tell me can we spend some time
so I can hold you softly
in these gentle arms of mine

and the moonlights gazing
shining on my window pane
beaming down on the midnight hour
I hear the sound of rain

chorus

Tonight, tonight

Oh, oh, oh

tonight, tonight

Oh, oh, oh

So why don't you stay a while

I can't help it if if you put me in a daze boy

but you look so good to me

in your satin P.J.s

so lets make love by candle light

and listen to the quiet storm

as I kiss you in the places

that make your body warm
