

# XTC, Meccanic Dancing (Oh We Go!)

Woolworth beauty  
Factory beau  
Arm in arm  
They must go  
To the church of dance with the light on low

Meccanic dancing oh we go  
Can't wait until the weekend comes  
I want to be with all my chums

Alcohol is an easy key  
Helps you unwind  
And dance with me  
To a disco trot from Germany

I'm standing in front of this girl  
I'm under a flourescent light  
I've had a few beers inside me  
I feel like a giant tonight
