Quicksilver, headed out for the creed  
Quicksilver, he's gonna take on wheel  
Quicksilver, she's a girl for me  
In a pool of mercury...

Quicksilver, she pours, you can jaw  
Quicksilver, where do you go man, go  
Quicksilver, count for 1, 2, 3  
In a pool of mercury...

She's a girl in a million, }  
She's a girl in a billion, } x2  
She's a girl in a trillion, }  
She's a girl in a tree... }

Quicksilver, headed out for the creed  
Quicksilver, this gonna take on wheel  
Quicksilver, she's a girl for me  
In a pool of mercury...

Oh, quicksilver!
