

# XTC, Senses Working Overtime

Hey, hey,  
The clouds are whey.  
There's straw for the donkeys,  
And the innocents can all sleep safely,  
All sleep safely.  
My, my,  
Sun is pie.  
There's fodder for the cannons,  
And the guilty ones can all sleep safely,  
All sleep safely.  
And all the world is football-shaped  
It's just for me to kick in space  
And I can see, hear, smell, touch, taste  
And I've got one, two, three, four, five  
Senses working overtime  
Trying to take this all in.  
I've got one, two, three, four, five  
Senses working overtime  
Trying to taste the difference  
'Tween a lemon and a lime  
Pain and the pleasure  
And the church bells softly chime.  
Hey hey,  
Night fights day.  
There's food for the thinkers,  
And the innocents can all live slowly,  
All live slowly.  
My, my,  
The sky will cry  
Jewels for the thirsty,  
And the guilty one's can all die slowly ,  
All die slowly.  
And all the world is biscuit-shaped,  
It's just for me to feed my face,  
And I can see, hear, smell, touch, taste,  
And I've got one, two, three, four, five,  
Senses working overtime  
Trying to take this all in.  
I've got one, two, three, four, five,  
Senses working overtime  
Trying to taste the difference,  
'Tween a lemon and a lime,  
Pain and the pleasure,  
And the church bells softly chime,  
And birds might fall from black skies,  
And bullies might give you black eyes,  
But to me it's very, very beautiful  
(England's glory!)  
Beautiful  
(A striking beauty!)  
And all the world is football-shaped,  
It's just for me to kick in space,  
And I can see, hear, smell, touch, taste,  
And I've got one, two, three, four, five,  
Senses working overtime  
Trying to take this all in  
I've got one, two, three, four, five  
Senses working overtime  
Trying to tell the difference  
'Tween the goods and grime  
Turds and treasure  
And there's one, two, three, four, five  
Senses working overtime  
Trying to take this all in

I've got one, two, three, four, five  
Senses working overtime  
Trying to taste the difference  
'Tween a lemon and a lime  
Pain and the pleasure,  
And the church bells softly chime.
