XTC, Statue Of Liberty

The first time I saw you standing in the water You must have been all of a thousand feet tall Nearly naked - unashamed like Herod's daughter Your love was so big It made New York look small

You've been the subject of so many dreams Since I climbed your torso Oh! My statue of Liberty Boo Boo Impaled on your hair What do you do Do Do to me Boo Boo

I leaned right over to kiss your stoney book A little jealous of the ships with whom you flirt A billion lovers with their cameras Snap to look and in my fantasy I sail beneath your skirt
