

XTC, Then She Appeared

Then she appeared, apple venus on a half open shell
Then she appeared, the first photograph on Fox Talbots gel
I was a little frightened
Flying with my senses heightened
Cherubim cheered
Then she appeared
Then she appeared, as the giggling crew of Marie Celeste
Then she appeared, pale Atlantis rising out of the west
I was a little dazzled
Catherine wheeled and senses frazzled
Know it sounds weird
Then she appeared
And the sun which formally shone
In the clearest summer sky
Suddenly just changed address
Now shines from her blue eyes
Then she appeared, brittle shooting star that dropped in my lap
Then she appeared, dressed in tricolour and phrygian cap
I was a little troubled
Hookah with my senses bubbled
All Edward leared
Then she appeared
And the moon which formally shone
On the marbled midnight mile
Suddenly just packed its bags
Now shines from her bright smile
Then she appeared
Out of nowhere
