

# XTC, When You're Near Me I Have Difficulty

When you're near me I have difficulty respirating  
When you're near me I have difficulty concentrating  
When you're near me I have difficulty standing upright  
When you're near me I have difficulty sleeping at night

I used to stand proud like a sphinx  
In a noble immovable state  
Then your heart nailed me under a jinx  
Now I'm feeling like a jellyfish  
Just a spineless wobbly jellyfish  
And it's great, great, so great

I used to stand high like a pine  
Just a piece of emotionless wood  
When you put your body near mine  
Now I'm feeling like a jellyfish  
And it's good, good, so good  
I used to be an iceman  
Living in iceman town  
So I'm warning all you cool cool icemen  
You'd better be prepared to be melted right down  
down  
When you're near me I have difficulty
