## XTC, When You're Near Me I Have Difficulty

When you're near me I have difficulty respirating When you're near me I have difficulty concentrating When you're near me I have difficulty standing upright When you're near me I have difficulty sleeping at night

I used to stand proud like a sphinx In a noble immovable state Then your heart nailed me under a jinx Now I'm feeling like a jellyfish Just a spineless wobbly jellyfish And it's great, great, so great

I used to stand high like a pine
Just a piece of emotionless wood
When you put your body near mine
Now I'm feeling like a jellyfish
And it's good, good, so good
I used to be an iceman
Living in iceman town
So I'm warning all you cool cool icemen
You'd better be prepared to be melted right down
down
When you're near me I have difficulty
