

Xymox, At The End Of The Day

You'll laugh if only you knew
The number of times today
I've wanted to kiss you
I've wanted to hold you
Closer to my heart
Closer than you can imagine
I felt this from the start
But what can I do
What can I say
At the end of the day
It's all up to you
At the end of the day
It's all up to you

The first time I saw you
In the corner of my eyes
Waiting for something to happen
You looked so alive that night
Oh, it must be a hundred stares... fading
Today, when I think of you
Today, when I think of you
What can I do
What can I say
At the end of the day
To prove my love for you
My love for you
My love for you
My love for you
My love for you
