

# Xymox, Smile Like Heaven

You're so young  
And I  
I got to do something  
When you swirl your feet  
Your hands up high  
And I get so confused  
And the world comes  
And the world comes  
And the world comes  
Tumbling down

Someday, when things are right  
I'll take you up and smile  
Someday when the sun is high  
I'm gonna tell you why

My words seem grey, so grey  
By your sweeping colours swirling down  
I know there're so few, I know  
Who smile like you do

Oh will you come alive  
Picture on the wall  
Oh will you come to me  
I'll take you anywhere

Oh with this smile like heaven  
You smile like heaven  
A smile in heaven  
You smile like heaven  
Smile like heaven  
A smile in heaven

Someday, when things are right  
I'm gonna take you up and smile  
Someday, I'm gonna take you down  
I'm gonna take you down  
Someday

I'm gonna tell you why  
I'm gonna tell you why  
I'm gonna tell you why  
I'm gonna tell you why

Oh will you come to me  
Picture on the wall  
Oh will you come with me  
I'll take you anywhere  
You're so young  
Looking at the picture  
Oh you're so young

A smile in heaven  
You smile like heaven  
You smile like heaven  
Smile like heaven  
A smile in heaven

Someday, when things are right  
I'm gonna take you up and smile  
Someday, I'm gonna take you down  
I'm gonna take you down  
I'll take you anywhere

Someday when the sun is high  
Someday I'm gonna tell you why  
I'm gonna take you down  
I'll take you anywhere

You smile in heaven  
You smile like heaven  
Smile like heaven  
You smile in heaven
