## Rudiments Unwinding

Establishing rules for the last recipient  
Of emergency-calling  
For Third latent Agreement  
Counting the vicious members  
In the Court of  
Preapocalyptic Warriors  
Reawaken

Let the superfluous heartbeats die  
Before the Last Dawn  
Will show its toothless mouth  
Dead-line for your final dream  
In the bed of  
The Static Dimension  
Suspended

The howl of every decent prayer  
They paste to the walls  
Instead of the names  
Of those killed in the War  
Abridged like  
The indolents Bible

Disposition to change direction  
Unpossessed of the freaks  
Finally downwritten  
In for long vanished Dark Book  
Of The only Legislator  
Who bought the Veil of ignorance  
Mutilated

You soon will be ordered  
To dig up the ground  
In front of the feet of  
The Innocent who  
Watches all that  
Stops moving  
In Amphyspace
