

Y Kant Tori Read, The Big Picture

Someone smashed my window
broke into my brand new car last night
Caught my boyfriend lookin'
at another slender pair of thighs
Gotta make more money
Gotta get, gotta get there
faster than the rest, yeah
Knock em off the ladder
if they even seem to
stand a chance
The big picture
Gotta big white cloud
The big picture
is starin at me
starin at me
ooh, ooh, yeah
ooh, ooh, yeah
big picture
Why do I feel so threatened
that somebody else will take whats mine
Babe, its only rented
No one really owns the merchandise
What about what I want?
Somehow it got lost somewhere
inside
My mothers on my case
I told her its my life
well, she just died
The big picture
Gotta big white cloud
The big picture
is starin at me
starin at me
The big picture
On a big blank wall, hey
The big picture
is starin at me
starin at me
ooh, ooh, yeah
ooh, ooh, yeah
When I can see
I'll try again
I've got my paints
The big picture
the big picture
hey!
the big picture
got a big white cloud
the big picture, yeah
is starin at me, starin at me
the big picture, yeah
on a big blank wall
the big picture, yeah
its starin at me, starin at me
gotta be
yeah baby
the big, the big, big picture
gotta be there, hey
gotta be, ooh, yeah
its starin at me, starin at me
the big picture, yeah, hey
gotta be, gotta be, baby, oh yeah
the big picture, yeah
gotta big white cloud, white cloud
