

# Y & T, Kill yesterday

Stay away  
I dont wanna be like you  
But i dont wanna be like anybody else  
Run away  
Coz nothing matters till it's dead and gone  
Coz it takes too long.  
Kill the dream,  
But does it matter if i wake?  
Pretty sure the world will keep on turning round.  
Hate your friends  
But nothing matters  
As its them that's wrong,  
It just takes too long.  
Hey you,  
You think the world's insane  
Did noone ever tell you  
Nothing's ever easy?  
Still you want to kill yesterday  
Coz it takes too long  
Yeh it takes too long
