TRANSLATION: FEAR

a dim fear cover the eyes
I want you to wait for him alone
connecting my hands, and tell me to ask
give me a hand
want you to folding to him
want you to wait for him forever
white courage pushing me into the water
want you to get wet
come to me
shining the skys for me
give me a hand, want you to try by yourself
this is the time that you will bloom forever
swim alone now, he says
want you to bloom forever
its time that you figure out who you are
give me a hand
give me a hand
give me a hand, want you to try by yourself
this is the time that you will bloom forever
swim alone now, he says
want you to bloom forever
its time that you figure out who you are
who are you?
who are you?
who are you?
