

# Yam, For floz's special someone

When I first saw you. I saw love. And the first time you touch me. I felt love. And after all this time. \nLooks like we made it, so far  
We knew wed get there some day, so near  
Were still going strong, forever  
Youre still the one I love, truely forever  
The one I belong to, my heart and desire  
Youre still the one I want for life, no matter what  
The only one I dream of every night  
Aint nothin better than you  
We beat the odds together with love  
Look at what we would be missin, for sure  
But I dont see it happening anytime soon  
Id love to wake up smiling- full of joys of spring  
Gotta see your eyes for sure  
I do swear that Ill always be there.  
Id give anything and everything to have you.  
I will love you with every breath.  
From this moment I saw you I knew it wasnt going to be the last.  
Right beside you is where Ill stay forever.  
Cant wait to show my full feelings with just a passionate saying.  
My dreams are everything because of you.  
Youre my answers from my past, my one survivor.  
Youre the reason Im still here.  
All we need is the love between us.  
I will love you, treasure this thought forever.  
Definitely found what Ive been looking for and thats you.  
Id die for that look of yours that isnt friendly for just a minute, even though were just friends.  
Falling in love under the starlight and in your arms.  
Something I always will think about you.  
Youll always make me smile even when it hurts the most.  
Ill never tell you just what your worth.  
Its too much too say.  
I wont leave you in night, not ever, for youre the one Ill always love.  
Im tryin to fight the way I really feel about you.  
I had everything covered when I realised I loved you.  
Let me let you on a secret  
The secret is all told before the words above.  
On anything for you....  
let your feelings show
