

Yam, I'm me

Sometimes, people look at me
makin assumptions so wrongly
thnkin im this or that
there is more than meets the eye
but look deeper in my heart
u'll learn things new for a start
i'm diffrent if not better
just give me a chance cos
chorus:
i'm me
let me be or please leave
i'm me
what you tryin to do to me?
i'm me
i'm independant can't you see?
i'm me
don't need you to live properly cos
i'm me
everybody's different to everyone
face the facts 2 cant be 1
to be continued...
