

Yankee Grey, Tell me something I dont know

Your bags are packed sittin' by the door
Your mama's waitin' outside in the car
It won't do no good to try to stop you now
'Cause you think you know for sure
You say good-bye baby don't cry
'Cause this time your walkin' out the door
You'll say you mean it, but honey I've seen it before
So come on tell me somethin' I don't know
You told me once Lord you told me twice
Maybe the third time will be the charm
But the chances are lordy you'll be back
Cryin' wolf again tomorrow
You say good-bye baby don't cry
'Cause this time your walkin' out the door
You'll say you mean it, but honey I've seen it before
So come on tell me something I don't know
Come on tell me something I don't know
You say good-bye baby don't cry
'Cause this time your walkin' out the door
You'll say you mean it but honey I've seen it before
So come on tell me somethin' I don't know
Come on tell me somethin' I don't know
Somethin' I don't know
Somethin' I don't know
Lord, somethin' I don't know
