

Yann Tiersen, Summer 78 (instrumental)

Where are you now
Can't you see me
Where are you now
Can't you hear me

Falling, trying
Searching, losing
Falling, trying
Searching, losing

Where is this land
We've built for us
Where are the streets
We've built for us

When I am laid
In Earth
In Earth
Can't you be here
Near me
Near me

When I am laid
In Earth
In Earth
Can't you hold me
Can't you hold me
